JUST 20 MINUTES FROM STRATHMORE. Welcome to this 1633 sqft bungalow on 2.32 acres, with an additional 1062 sqft below grade. As you walk in, you will notice an abundance of natural light throughout the main floor and an open floor plan that spans end to end. There are two dining areas, separated by an expansive kitchen that provides two sinks, plenty of cupboard and counter space, and a huge walk-in pantry. This kitchen is a true delight for cooking and entertaining guests! The living room is warm and inviting, with plenty of natural light coming from the west. The large rear entryway has the coveted main floor laundry and leads down to the partially finished basement. The full bathroom has been recently renovated, just off to the huge primary bedroom. New 100A electrical panel, good septic system and excellent water well. This spacious bungalow, on concrete foundation, has paved road access with breathtaking prairie views from inside the home. Outside is a fenced dog run, a treed area in front that would be perfect for a garden, and a private backyard that would be great for summer night fires.
