Lower Mount Royal, Calgary, Alberta

Looking for that just right inner-city home? This Lower Mount Royal beauty has it all—and then some. Tucked away on a peaceful, tree-lined street, this rare 3-bedroom corner unit with 2 indoor parking stalls feels like a hidden gem, yet you're only a block from all the buzz of 17th Ave. Think coffee runs, brunch dates, boutique shopping, and spontaneous nights out—all just steps away.

Inside, you'll love the bright, open-concept layout with beautiful floors, fresh paint, a cozy wood-burning fireplace for those relaxing winter nights, and a chic updated kitchen and bathroom. The private south-facing balcony is your go-to spot for sunshine and people-watching, while three exterior walls and an end-of-hall location mean max privacy and quiet vibes.

The spacious primary bedroom features big SE-facing windows and a walk-in closet. Two more roomy bedrooms, a generous in-suite storage room, and your own washer & dryer? Yes please. Oh—and did we mention two heated indoor parking stalls? That's nearly unheard of in this neighborhood.

Pet-friendly (with board approval), with direct stair access to the front of the building—perfect for quick dog walks. Well-managed building with a strong condo board and a monthly fee of just \$434, covering heat, water, and those sweet parking spots.
