Lots of potential for this massive R-CG zoned lot! This home is set back from the road, on a quiet cul-de-sac with mature trees, a huge back yard with RV Parking and a paved back lane. Walking distance to schools, transit and shopping nearby makes this a fantastic location! There is an immense patio area, a generous deck with a wood bbq and still plenty of room for a spectacular garden and throw a ball around. No public sidewalks to worry about keeping clear of snow! Entry to the home is a standard bilevel with a split staircase going up or down. Starting on the main level is a lovely living room with a large picture window framing the trees outside. There is a fantastic wood burning fireplace with a mantle for a retro look. The living room flows into the dining room overlooking the back deck through the french doors.
